“With such a supportive environment, I quickly overcame my reluctance to open up and enjoy. I really feel fortunate that I was involved in this group. I was able to write like I haven’t been able to in years, and share like I’ve never shared before. I look forward to being in my own classroom and giving students the same opportunity.”

— Sandy Tate, Cle Elum-Roslyn S.D. 6th Grade Math and Language Arts

“I could take all of the lessons/units and tweak them to fit my students’ needs, and have a year or more of lesson ideas and plans. It was confirming to me to see that no matter the grade level or the content or the genre, good writing is good writing.”

— Glenn Kessinger, Washington Middle School, Literacy Coach
